To Whom It May Concern:

It is my pleasure to provide this letter on behalf of TCB Management Group. Through my work as a Lincoln County Commissioner and my involvement in a variety of community activities, I have become very well-acquainted with TCB's CEO, Mike Goff, and his staff. What comes through very strongly to me is Mike's commitment to delivering quality service with value. He also has a very strong belief in being a contributor to the community through support of a number of charitable organizations and activities. In every sense of the phrase, TCB Management Group is an outstanding corporate citizen, and I am glad to offer my highest recommendation on their behalf.

Sincerely,

Bill Hall
County Commissioner
